

Welcome to the New Way Title Services are Delivered

We've proudly simplified your title work with the Qualia/Encompass® Two Way Integration (2WI).

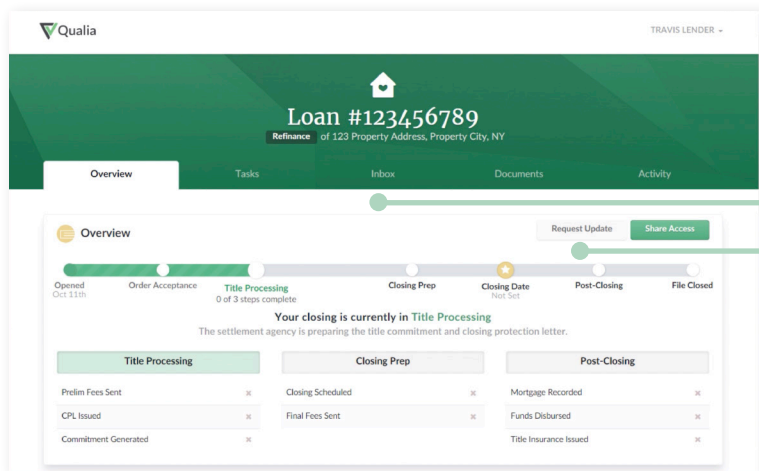

Built-In Ordering

Our company, powered by Qualia, is available through a click in Ellie Mae's Encompass for an easy, streamlined ordering process.

Order New Closings

All orders you place with us will automatically fill in using the information you've already entered into Encompass.

View Closing Progress

Tracker by Qualia keeps you up to date on where your closing stands so you can see real-time updates throughout the process.

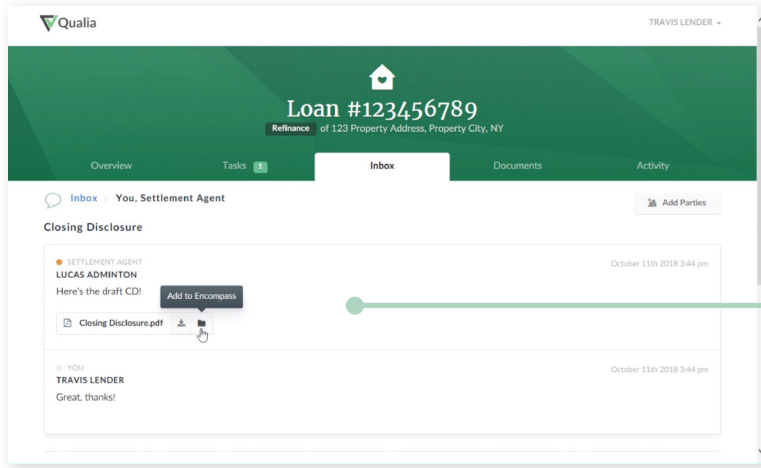

Get Updates

Ask us at any time for a status update on a specific closing task, including title work, scheduling the closing, and disbursing escrow funds.

Security & Privacy

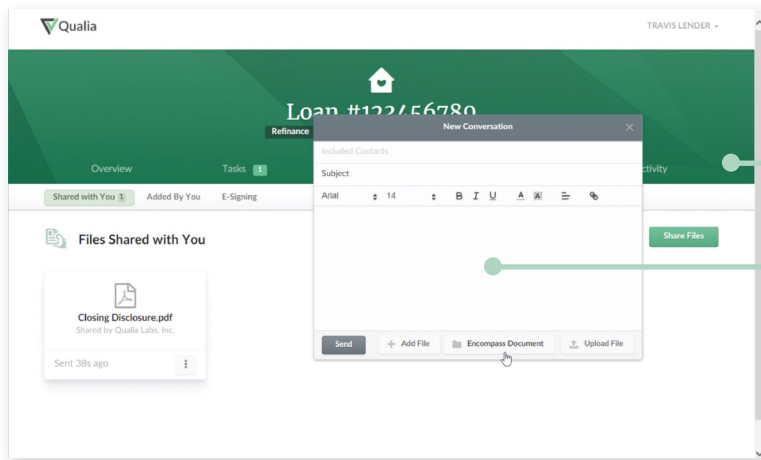

Our online closing platform leads the industry in data security and privacy and undergoes regular best practice audits.

Store Documents Permanently

Save any received files directly into your Encompass eFolder for each order to reference or view at any time.

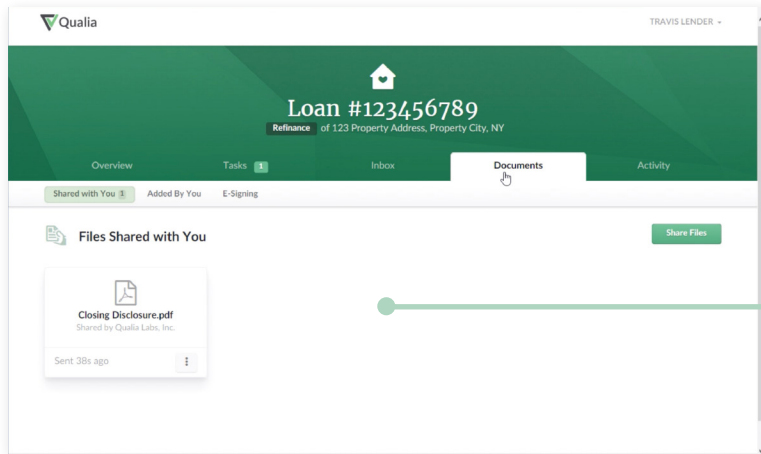

Exchange Files Seamlessly

Documents can be uploaded from your computer or from Encompass and easily shared with us.

Communicate Securely

All messages and files shared and received are sent through Qualia's SOC-2 and ISO 27001 certified secure integration and are automatically stored with each order to help you stay organized.

Exceptional Client Experience

Automatically give your clients updates, information, documents, and messages when and how they want.
